Great American Title Ranked #1 in Ranking Arizona

(PHOENIX) February 1, 2015—Great American Title Agency (Great American) is proud to announce that they have once again been ranked the Number One Title Company in Arizona by *Ranking Arizona Magazine*: The Best of Arizona Business. This marks the seventh consecutive year that Great American has achieved the number one ranking and been recognized as a leader in the title and escrow industry.

“Being recognized as Number One in your field is an honor but to be recognized as Number One for seven consecutive years is outstanding and a true tribute to the time, effort and commitment of its employees and its management team,” said Bruce Beverly, CEO. “We have never lost sight of the need to focus on the needs of our customers and it would appear from this vote that our focus on our customers is appreciated,” Beverly said. We have seen a paradigm shift in the real estate, lending and housing industries over the last several years in how those industries do business the consequences of which are passed through to the settlement industry. Great American Title has and continues to make the needed investment of time, energy and capital to meet those needs while preparing for what is still to come.

“We are very grateful to our customers who supported us this year and who have helped prove that excellent service makes a difference” said Tom Connaker, President. We especially wish to thank all of the members of the Great American employee family who worked tirelessly to make this possible – an achievement such as this is truly a team effort.”
