(PHOENIX) May 28, 2008—Great American Title Agency (GAT) is excited to be a recipient of the first annual *Arizona Business Magazine* AZ Fast 15 Awards.

The awards were determined based on key indicators of company growth: substantial revenue growth, growth in number of employees, gains in market share and overall company performance.

“The growth that GAT has seen over the past few years is tremendous,” said Tom Connaker, president of Great American. “We owe the honor of this accolade to our hard-working, dedicated employees and our outstanding clients.”

Great American Title is featured in a special editorial in the June edition of *Arizona Business Magazine*. Awards were determined based on figures provided from 2004 to 2007.
