GREAT AMERICAN TITLE NAMED OUSTANDING AGENT

(PHOENIX) May 28, 2008—Great American Title Agency, Inc. (GAT) was named a 2007 Outstanding Agent by First American Title Company (FATCO).

Outstanding agents were judged based on volume, lack of claims, timely payment of retentions and overall service.

“We are very proud of this recognition from First American,” said Tom Connaker, President of GAT. “Increasing our title volume, keeping claims low and remitting our premiums timely is our goal, and being recognized by First American for doing so is truly rewarding. Our title staff has put in many long hours to ensure that the quality of our service is second-to-none.”

“Dramatic growth in our escrow division, which we added in 2004, and increased title work in 2007 resulted in *Inc. Magazine* ranking us as the 53rd fastest growing, privately held company in the nation. In 2008 *Arizona Business Magazine* named us as being an Arizona Fast 15 award recipient which recognized us as one of the fastest growing companies in Arizona. None of this could have been possible without the hard work and dedication of a wonderful group of people” said Bruce Beverly, Chief Executive Officer of GAT.

As an agent of First American, GAT writes title insurance policies to convey clear title on properties across the state of Arizona.
