**GREAT AMERICAN TITLE IS RANKED NUMBER ONE IN 2009
BY RANKING ARIZONA**

(PHOENIX) February 10, 2009—Great American Title Agency (GAT) is proud to announce that it achieved a number one ranking in the “Best Title Company” category of the 2009 Ranking Arizona opinion poll.

“This is a milestone for Great American – the culmination of a true team effort and one that we are extremely proud of,” said Bruce Beverly, CEO. “2008 was an extremely difficult year for so many in our industry. We made an extra effort to address the anxieties that our clients expressed in handling the daily challenges facing our industry this year and I think we did well enough for our customers and clients to give us their vote of confidence – it is both exciting and humbling at the same time”.

This is an advancement of one position from the company’s second place in last year’s rankings. This is GAT’s third year participating in the Ranking Arizona opinion poll.

“We have every reason to believe 2009 will be another challenging year and we have recommitted ourselves to trying even harder this year.” “We are very grateful to our customers who supported us and who have helped us achieve this recognition,” said Beverly. “This achievement took an enormous team effort so I want to take just a moment to recognize a wonderful team who helped to make this possible”.

Ranking Arizona is Arizona’s largest opinion poll. Categories are selected by the staff of Arizona Business Magazine, and the general public votes throughout the year for its favorites in a variety of industries.
